

Enrollment instructions for MAE 194, BEAM's course in science communication

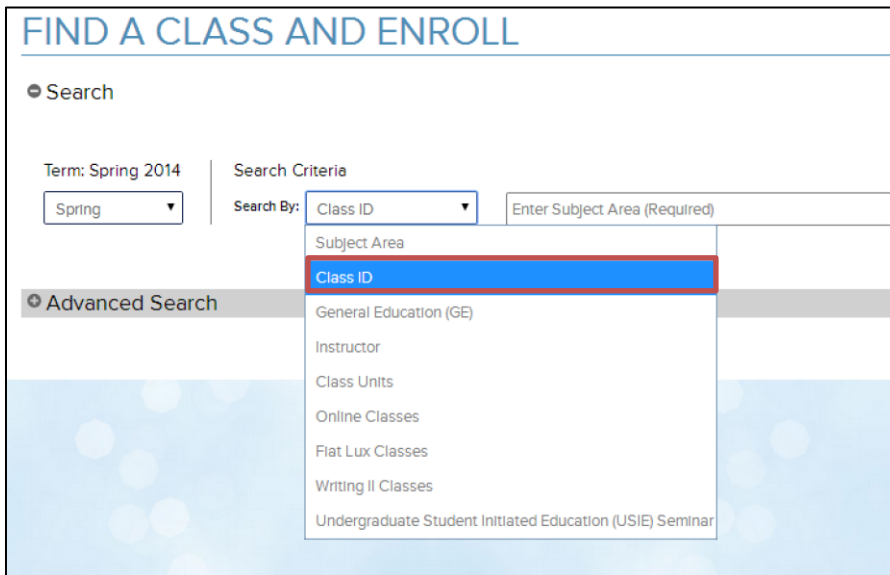

Since MAE 194 is a variable unit and grading course, we have to ask everyone to take a few extra steps. You will need to enroll in the **wait list** for 2 units with Pass/No Pass grading.

To enroll, please follow these steps:

1. Log into MyUCLA (my.ucla.edu)

2. Click "Find a Class and Enroll" under the My Features tab at the top of the page

3. Change the "Search By" criteria to Class ID

4. Type in the Class ID: **210866201** and select “Go”

Your results for: 2014, Spring, Class ID 210866201

NOTE: The number of open seats for a section is constantly updated.

Mechanical And Aerospace Engineering (MECH&AE) 194 - Research Group Seminars: Mechanical and Aerospace Engineering

NOTE: To enroll for this class, you must select a Seminar.

Enroll	Section	Status	Info	Day(s)	Time	Location	Units	Instructor
<input checked="" type="checkbox"/>	Sem 1	Waitlist: 0 of 30 Taken	i	T	6pm-6:50pm	Boelter 7702	2.0-4.0 Variable	Carman, G.P.

WARNING

Mechanical And Aerospace Engineering (MECH&AE) 194 - Research Group Seminars: Mechanical and Aerospace Engineering with the following section has warnings:

- Seminar 1

Acknowledge the following warnings to enroll:

Place me on the waitlist for this class at tentative position 1: Read how position is determined. I understand that waitlisted classes will be dropped on Friday April 11, 2014.

OPTIONS

Mechanical And Aerospace Engineering (MECH&AE) 194 - Research Group Seminars: Mechanical and Aerospace Engineering has the following options:

5. Select the checkbox underneath “enroll” & select the checkbox that says “place me on the...”

- Seminar 1

Acknowledge the following warnings to enroll:

Place me on the waitlist for this class at tentative position 1: Read how position is determined. I understand that waitlisted classes will be dropped on Friday April 11, 2014.

OPTIONS

Mechanical And Aerospace Engineering (MECH&AE) 194 - Research Group Seminars: Mechanical and Aerospace Engineering has the following options:

Select the grade type:

Passed/ Not Passed

Select the number of units:

2.0

To enroll, acknowledge all warnings, then click:

Enroll

Or

Select one of the following options:

Start Exchange Enter PTE# Add to Class Planner Cancel

6. Change the grade type to “Pass/Not Passed”, make sure number of units is 2.0. After you have confirmed that everything has been properly filled out, click enroll.

Your results for: 2014, Spring, Class ID 210866201

✓ SUCCESS

You have successfully waitlisted at position 1 in Mechanical And Aerospace Engineering (MECH&AE) 194 - Research Group Seminars: Mechanical and Aerospace Engineering with the following section:

- Seminar 1

To save your selections and add them to your Class Planner, click:

7. If you filled out all of the information correctly, your screen should read “SUCCESS” (see above)

Important Note:

Please help us make sure that you have enrolled by checking that:

- (1) You have enrolled in the correct session with course #: 210866201
- (2) You have enrolled on the waitlist for 2 units
- (3) You changed the grade type to: “Pass/Not Pass”
